My 9 year old son and I have been adjusting to our new living arrangements. I have sole custody of him, as his mother is no longer able to care for him. Needless to say, this has been difficult on him emotionally. I knew I couldn't support him emotionally on my own. That's when I reached out to the Y.

Like all parents, I want my son to be surrounded by positive things in his life. I wanted a place for him to have fun, have new experiences and to develop social skills – as he was extremely unsure of himself and shy. I wanted him to be around people that were sensitive to his feelings and his needs.

We found that at the Y! Since I couldn't afford the total cost, the Y helped me out with financial assistance. Knowing he is in a safe place, with great role models, and making new friends makes such a difference in his development and confidence. I truly appreciate the support during a difficult time in our family life.

– John
 (a grateful dad)

Financial assistance keeps the Y available for kids and families who need us most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected and secure. When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood.

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. At the Y, we help children and adults understand and value their health, and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health and wellness. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.
