**STRONG KIDS
 CAMPAIGN**
 Plymouth Branch - Camp Clark

When our granddaughter came in to our care, we faced a number of challenges including juggling the many new needs to care for her, financial concerns, and to ensure that her life would be as little disrupted as possible.

We are fortunate to have found the Y. We received financial assistance and a payment plan that worked into our new circumstances, and the positive impact on our family was immediate.

The staff assisted our granddaughter in developing her talents, and encouraged her to explore new friendships and possibilities. I can honestly say that her experiences at the Y helped make our youngster into the confident, funny, self-assured child she is today. The Y made it possible for us to offer her great learning opportunities, to build character, self-worth and a sense of accomplishment - both in their after-school program and at Camp Clark!

With thanks,
 Mary C.

Financial assistance keeps the Y available for kids and families who need us most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected and secure. When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood.

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. At the Y, we help children understand and value their health, and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health and wellness. The Y encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, youth are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

THEIR FUTURE

At the Y, strengthening community is our cause. The Y has been listening and responding to our communities' most critical needs for 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve.

Across America, our staff and volunteers are kids, parents, grandparents, neighbors and local leaders who are all personally committed to understanding what our neighborhoods need. Together we can build stronger, more inclusive communities, provide support for families and promote positive change overall.
