## Old Colony YMCA School Age Program Easton Branch 2021-2022 Before & After School Registration (ages 5-12)

Positive Youth Development is at the core of everything we do. In Before & After School, you can trust the Y to provide an engaging experience for your child. Y School Age programs give your child the opportunity to get to know their friends better as they engage in active play and collaborate on fun projects. We use a developmentally-appropriate approach geared towards each child's social, emotional, cognitive, and physical growth. Our goal is to build upon each child's unique abilities, helping him or her to blossom into the young person (s)he was intended to become. Every day, we support young people and support them to reach their fullest potential. Before & After School programs are offered at the following schools:

### Center School

### Moreau Hall

### Parkview

### Richardson/Olmsted

- **BEFORE SCHOOL CARE Monday – Friday; 7am – Start of School**
  - Start the day off right! Children are offered a variety of activities that promote creativity, critical thinking skills, and social-emotional growth. A healthy breakfast following our HEPA (Healthy Eating and Physical Activity) standards, is provided along with physical activity time.
- **AFTER SCHOOL CARE Monday – Friday; End of School – 6pm**
  - Excel after the bell! Our Character Development based curriculum focuses on social-emotional development through arts & crafts, STEM, language and literacy, and physical activity. Homework time and a healthy HEPA approved snack are also offered.

A separate registration form for each child needs to be completed, along with a non-refundable \$30 fee per child. A MA Department of Early Education & Care enrollment packet and more information will be sent over the summer. This packet must be submitted at least 1 week prior to attending the program for review and processing. No child will be permitted to attend without a completed enrollment packet. **2 day minimum required** for Before & After School. See tuition rates on reverse. Spots are given on a first come, first serve basis. Students will be placed on waitlist if there is no space in program.

### The Old Colony Y has adopted the following HEPA Standards:

- Water is our beverage of choice
- No sugar sweetened drinks
- Fruit or vegetable at every meal or snack
- Whole grains
- Limited screen time
- 0 grams of trans fat
- 30 minutes of moderate PA a day, and 20 minutes of vigorous activity 3 times a week
- Parent education to encourage healthy behaviors at home
- We encourage parents to follow HEPA Standards when sending in food with your children.
