WELCOME TO CAMP CHRISTINA!

Camping has been at the heart of our Y's mission for over a century. Our camp inspires self-confidence, encourages positive growth and development, and creates a sense of belonging for children and teens through our core values of caring, honesty, respect and responsibility.

Camp Christina thrives on being a leader in the community in regards to youth development and safety. WHAT TO PACK

Preparing for camp can seem daunting but we compiled a list of must haves and some tips for the summer. Write your name on everything and make sure to send in your child's updated physical and immunizations. **Bring These Items Everyday:** Closed toe shoe, water bottle with water, bathing suit & towel, sunscreen, and bug spray

Do Not Bring: Valuable items, electronics, trading cards, toys, candy, or weapons (real or fake)

SWIMMING

While at Camp, your child will be participating in water fun and safety. This will be the time for the children to cool down throughout their camp days and learn more about being safe in the water! We will have swim lessons available with our certified swim instructors for anyone that needs them. Make sure your child brings a swimsuit and towel every day - and that they are labeled with your camper's name.

HOT/ RAINY DAY

In the case of thunder, lightning and torrential downpours, all campers are brought inside. In the case of light rain or high heat, we try to continue activities outdoors utilizing the pavilion and tent areas. In high heat we will incorporate more water activities during the day, and stay in the shade to help the campers keep cool.
