WELCOME!

This year proceeds will provide critical support to many programs at Old Colony YMCA with a particular emphasis on one of our most meaningful initiatives: **LIVESTRONG** at the YMCA, our no-cost program supporting adults battling cancer.

For 15 years, Spin-a-thon has brought our community together in powerful ways. More than 7,000 riders have participated, helping raise over \$3 million to support programs that strengthen the health and well-being of individuals and families across Southeastern Massachusetts. In 2026, our goal is to deepen that impact by placing a special focus on ensuring no one faces cancer alone.

We invite you to join us as a sponsor for the 2026 Old Colony YMCA Spin-a-thon and help make a lasting difference in the lives of children, families and cancer survivors throughout our community.

MAKING AN IMPACT

Your generosity helps us make a measurable impact in our community. Here's what Old Colony YMCA accomplished last year thanks to the funds raised from Spin-a-thon:

SUMMER CAMPS: Old Colony Y granted more than \$200,000 in summer camp scholarships, providing the magical summer camp experience to more than 600 children who otherwise would not be able to afford these opportunities.

FOOD SECURITY: Provided 5,000+ meals weekly to combat hunger in our community, serving more than 1,000 families.

HEALTH & WELLNESS: Supported 125 adults battling cancer through our no-cost LIVESTRONG program.

None of this would be possible without the amazing support of our community members, volunteers, and generous donors. This year, our annual Spin-a-thon event will help Old Colony Y raise crucial funds to support these ongoing efforts.
